Dear Mr. McGinty:

Pursuant to Section 482.302, Government Code, the Texas Space Commission (Commission) must provide written notification to the Legislative Budget Board not later than the thirtieth day after a grant award is made from the Space Exploration & Aeronautics Research Fund (SEARF).

Accordingly, this letter serves as notice that the Commission has awarded up to \$7,500,000.00 to Space Exploration Technologies Corp. (SpaceX) for construction of the foundation of a new vertical integration building to provide additional capacity and capability needed to continue rapid development of the Starship and Super Heavy vehicles. Both parties fully executed a Grant Agreement dated today.

Sincerely,
